The Local Plan there is a local plan it identifies sites very clearly, but UDC have got to prove and demonstrate how they came to this decision. Developments

proposed are 2 around Great Dunmow on one site a new secondary school would be built, Helena Romans site will be built on but the leisure centre would remain. The other site is west of Braintree which runs alongside the A120. There are no sites in the north of the county i.e. Great Chesterford Highway Authority has said it won't put full access on to the M11 at junction 9. But they will upgrade junction 7 Harlow. Cambridge City Council and South Cambs have said they don't want a development at Great Chesterford.

UDC has identified that most employment is at Stansted Airport, as passenger units grow, Stansted Airport are looking to build a new arrivals unit.
