17/199 District Councils Report
DC spoke about the recent burglaries in the area, and understands the Parishes concerns. The Police and Crimes Plan says that burglary is not an area of focus for the county. Uttlesford use to fund 12 PCSO they now due the lack of funding only fund 2 (at a cost of £85,000 per annum) they are employed 5 days a week and work 9-5 they only have the same powers as a normal citizen. The DC suggested that Parishes could club together to match fund a PCSO for a year with UTT, the parishes would need to pay £20,000 per annum this would be spread across the parishes and this would need to be a commitment for at least 2 years. Cllrs felt villagers needed to be more vigilant and take note of suspicious vehicles and people.

The DC mention that the Parish Council hadn't put any Asset of Community Value in to UTT Councillors will consider this.

Local Plan looks as if it will go to the inspectorate in May 2020.
