Radwinter Village Appraisal Youth Questionnaire

This questionnaire is designed to find out the views of those aged 11 to 17 in Radwinter to support the Parish Planning process and define an Action Plan. This is not a census, and all questionnaires are anonymous. The aim is to help the Parish Planning Steering Group and the Parish Council to know what the young population of Radwinter thinks about our village, and to help us make the right decisions for the future.

The majority of questions are followed by boxes in which you should tick the box that is most applicable to you or simply fill in the empty spaces with your answers/feelings on questions where there are no options.

Please help by filling in this Questionnaire within the next two weeks, when it will be collected by a volunteer.

If you haven't completed the questionnaire within that period, and need more time, please hand it in at Radwinter Post Office by 31st May 2005, or if outside opening hours, post it through the letterbox of Hylas Cottage, Water Lane (opposite Radwinter Primary School).

If you require additional questionnaires please call me on Radwinter 599396.

We also want you, as an 11 to 17 year old, to contribute to the Personal section of the Household Questionnaire that will be circulated to each household in Radwinter.

Thank you for your help. Results and analysis of this questionnaire will be made available to all households when completed.
