When travel is booked generally the return

journey time is also booked. You have the option to change it but if it is less than 2 hours' notice you need to be flexible.

#### 6. Can people who have a concessionary bus pass give a contribution towards the scheme?

The ENCTS is a national scheme. You can always pay the fare instead of using your bus pass, but if the bus pass is presented free travel must be allowed. The operator will be reimbursed by ECC for concessionary travel journeys.

#### 7. Does the DaRT mean that passengers can travel every day?

Yes, you can any time between 0600 to 2000 Monday to Saturday. Passengers are asked to be flexible so bookings can be grouped together.

#### 8. Can a relative or friend book on your behalf?

Yes.

#### 9. Can people use the service to go out for social / leisure activities?

Yes, experience has shown passengers often choose to book the service as a group and passengers who previously could not use a conventional service can use the DaRT. As long as it is safe to do so the service can pick up passengers from their homes.

#### 10. Can a group of people book together?

Yes, you will need to say how many people will be travelling.

#### 11. Can I use my wheelchair?

## About this bus service

Demand Responsive Transport (DaRT) is an alternative way of providing access to key services in rural areas.

Instead of using fixed routes with fixed stops and times, DaRT customers book journeys with the operator in advance and are picked up from an agreed point – often their own home, a bus stop or local place of interest. You can use it:

- to go shopping
- attend a health appointment
- get to/from work, school or college
- visit friends

Arrow Taxis Essex Ltd will also need to know:

- Your name
- Your telephone number
- Any specific requirements, such as if you are a wheelchair user or if you have difficulty walking
